

Volunteer Interest Form 2019-2020 School Year

Thank you for your interest in volunteering within Manavon Elementary School! This form was created so you can let us know if and what volunteer opportunities you'd be interested in. We are always looking for volunteers to help us fill many different roles throughout the year. There are opportunities both during school hours and after school hours-we have a spot for everyone. We need photographers, committee chairs, cooks, shoppers, bakers and much, much more.

Please check the boxes for all the events you may be able to help with. Included is a brief description of what each opportunity entails - please take special note of the time commitment for the selected event/role to make sure it will work for you. As the time of your event gets closer, you will be contacted by the committee chair with further instruction.

Please remember that all volunteers must submit their clearances and obtain approval from the Manavon office prior to helping out at the school. If you are not approved by the school, you will not be able to come in to volunteer. If you have any questions regarding the process please contact me at danir41407@gmail.com or manavonhs@gmail.com.

We know how busy everyone is and we'd like to thank you in advance for any amount of time and work you are able to volunteer. We could not do this without you! The Manavon Home and School Association is looking forward to another successful year with the continued support of our wonderful families!
