Family Fun Night- Save the Date and Join us at 7pm on Friday, November 19th!

We are excited to have Family Fun Night return in-person for an outdoor family fun night before the full blast of winter hits. Bring the family for this "Give and Get".

The Home and School Association is focusing on how we can give to each of our students and families, while also giving back to the community.

What you will get, from attending:

- *A treat from a local bakery, baked in a nut-free environment, and is a nut-free product.
- *Supporting a local bakery – focusing on shopping local.
- *Interacting with local police and fire fighters – always a fun time for kids and parents alike.
- *Experience with character-look-alikes. Who just might be climbing on the police and fire trucks for some picture opportunities? You have to come to find out 😊.

What are we, giving back to the community:

- *we are collecting items for PACS for donations for our families in great need.
- *we are collecting monetary donations for the fire departments who rely on donation funding. It cost over \$8000 just to dress one fire fighter and if you have been a victim of a fire,

or had a fire fighter respond to your home in the case of an emergency, you know how valuable our volunteers are!

Get a treat and have a wonderful time. Give back to our community through donations to PACS and the monetary donations (Cash or checks) to the Fire departments. See you there!

Want to Get involved and Volunteer?

We cannot hold our great events, or provide wonderful support to our teachers and administration without your help. Volunteers are needed in-person during the day for Library support, and other in-school functions, after hours, and remotely for coolthings like yearbook! Volunteers can donate 1 hour of time, or a lot of hours of time. We work with you and around your schedule.
